Attention Educators,

Starting this month Georgetown Fire department will be teaming with GISD on a Bullying PSA contest.

Students that would like to enter will be asked to create a short Public Safety Announcement video. These students can work on their own or in groups for their video. The winners will be formally recognized by Georgetown Fire Department and top three entrants will receive a GoPro action camera. Their video will be aired throughout the city at different venues.

Entries will be judged on creativity, educational value and message effectiveness. The winners will be determined by the judges in their sole discretion in accordance with the contest rules.

Please feel free to contact me at your earliest convenience should you have any questions.

Respectfully,
