

# **SERVICE FEE SCHEDULE**

## **GEORGETOWN FIRE DEPARTMENT**

### I. TITLE

All rules and regulations contained herein, together with additions and amendments as may be hereafter adopted, are hereby designated as the "Georgetown Fire Department Fee Schedule."

### II. AUTHORITY

This Fee Schedule is adopted by Ordinance of the City of Georgetown which reads as follows:

*Sec. 2.28.140. Fire Department Operation Service Fees.*

The City Council authorizes the Fire Chief to establish Fire Department Operations Service Fees, and policies and regulations governing the collection of those fees. The Fire Chief shall provide the City Council with an annual updated fee schedule with a summary of changes adopted during the previous year, if the fees, or policies and regulations are changed within the preceding year.

*Sec. 2.28.150. Fire & Life Safety Service Fees.*

The City Council authorizes the Fire Chief to establish Fire & Life Safety Service Fees, and policies and regulations governing the collection of those fees. The Fire Chief shall provide the City Council with an annual updated fee schedule with a summary of changes adopted during the previous year, if the fees, or policies and regulations are changed within the preceding year.

*Sec. 2.28.160. Special Events Fees.*

Special events sponsors shall be charged for any and all services required by the fire department, as determined by the fire department in its sole discretion, working in conjunction with the City's special events personnel, including, but not limited to standby fire apparatus and its personnel, and/or fire/medical crews and vehicles. Such special events fees shall be due and payable with the special events permit application, and shall be in addition to any fees incurred for other fire department services rendered.

*Sec. 2.28.170 Fines for Negligent or Irresponsible Actions.*

- A. A fine shall be charged for negligent, irresponsible, or otherwise unacceptable and malicious acts.
- B. The fire department may file charges in Municipal Court by the City fire department, and a fine may be assessed. Any such fine shall be in addition to any fees charged.

- C. Fines for such acts shall be assessed as follows:
1. False alarms (each incident, after three alarms in a calendar year from a single component of an automatic fire alarm or fire sprinkler system)—\$150.00 minimum. This includes mischievous actions of small children and the unknowing actions of special needs adults.
  2. False alarms (each incident, for a deliberate and/or malicious act of a telephone message or the activation of a manual alarm)—\$200.00 minimum, plus Municipal Court costs, if any.
  3. Misadventure and/or deliberate risk taking (each incident)—\$200.00 minimum, plus Municipal Court costs, if any.
  4. Failure to respond to lawful warning or order (each occurrence)—\$200.00 minimum plus Municipal Court costs, if any.
  5. Injury to fire personnel due to deliberate act (each injury)—Any and all medical costs incurred by the employee, rehabilitation costs, loss of income, and any further compensation that may be necessary.
  6. Damage to fire apparatus, equipment or property due to a deliberate act (each item)—The replacement cost of the individual item.
  7. Failure to notify the fire department of an alarm activation (each)—\$150.00 minimum.

Sec. 2.28.180. Fee Collection.

- A. Fire Department is authorized to collect fees for services provided inside the city limits as well as those provided outside the city limits pursuant to all applicable rules, regulations, and state law.
- B. Fees that are the result of any actions listed in section 2.28.140, 2.28.150, 2.28.160 and 2.28.170 are the responsibility of the property owner or occupant and are due and payable immediately upon receipt of an invoice from the fire department or its authorized agent.
- C. Fire Department is authorized to obtain the requisite incident information to collect fees through internal and/or contractual services.
- D. Fire Department shall coordinate with development services for applicable fee collection along with utilizing fire records management for the collection of any additional fees not collected by development services. Sec. 2.28.190. Exemptions from fees.

Calls for service at residential structure fires shall not be subject to any fees unless it is determined to be for cause, as is identified in Section 2.28.170.

### III. PURPOSE

The purpose of the Fee Schedule is to provide for the reimbursement of costs for emergency and/or non-emergency responses by the Georgetown Fire Department for certain emergency incidents, special events, malicious incidents, hazardous material incidents, technical or specialized rescue incidents, motor vehicle collisions, and incidents caused by negligence and/or willful disregard for established fire and life-safety codes. Additionally, the Fee Schedule shall be applied to responses to non-City residents and/or those responses not covered under an approved mutual or automatic-aid agreement.

### IV. LIABILITY

The Georgetown Fire Department shall, at its sole discretion, determine whether or not Fire Department resources and/or personnel are available for reimbursable services cited within this document. Furthermore, all persons responsible for the enforcement or application of the Fee Schedule, shall not be liable for any damage or injury to persons or property arising out of or relating in any way to the application or enforcement of this Fee Schedule.

### V. DEFINITIONS

Unless the context specifically indicates otherwise, the meaning of terms used in the Fee Schedule shall be as follows:

- a. Emergency Incident shall mean those incidents that require fire, rescue and/or medical response in an immediate fashion, following established emergency response protocols.
- b. Fire Department shall mean the Georgetown Fire Department.
- c. Emergency Personnel shall mean personnel who are employees of the Georgetown Fire Department during their involvement in an emergency or non-emergency incident.
- d. Hazardous Material Incident shall mean those incidents involving the release of any product that could prove a danger to health or the environment.
- e. Malicious Incident shall mean those emergency incidents which stem from an individual's intentional purpose to cause property damage, endanger lives, and/or cause the response of emergency personnel for other than an actual emergency.
- f. Medical Call shall mean those emergency incidents in which the Georgetown Fire Department responds and functions as the primary care provider.
- g. Motor Vehicle Collision shall mean incidents involving one or more motorized vehicles including cars, trucks, buses, planes, helicopters, trains, motorcycles, and the vehicles and trailers being pulled by motorized vehicles.

- h. Non-Emergency Incident shall mean those incidents which allow for fire, rescue and/or emergency medical response in a less urgent fashion, following established non-emergency response protocols.
- i. Non-Permitted Burns shall mean the intentional disposal of debris without the written permission from the Georgetown Fire Department.
- j. Nuisance Incident shall mean those incidents that are of the same nature, on a repetitive basis, at the same location, due to the lack of servicing to mechanical and/or electrical equipment of an emergency system, or the failure to correct a previously documented fire hazard, or false reporting of an emergency incident or any other fire department response that is deemed unnecessary by the Fire Chief, including but not limited to false alarms caused by carelessness.
- k. Special Event shall mean those non-emergency events that occur within and/or outside the City of Georgetown that require the presence of Emergency Personnel employed by the Fire Department, or as requested by owner/coordinator of the involved property.
- l. Technical Rescue Event shall mean incidents that require rope rescue, water rescue, confined space rescue or technical rescue services and/or extrication.
- m. Wildland Fire shall mean any outside fire involving general natural combustible materials, other than a permitted burn, with no restriction concerning area involved, or size of any damaged area.

## VI. ELIGIBLE EXPENSES/INCIDENTS

The following types of occurrences and incidents that involve the response of Georgetown Fire Department personnel and/or resources are eligible for invoicing pursuant to this document.

- a. Fire protection services
- b. Services for preservation of life (hazardous material, technical rescue, mva, etc.)
- c. Medical services
- d. Plan reviews (includes plan review, inspection, citation, permit, and investigative)
- e. Standby charges (special events, fire watch, etc.)
- f. User fees (classroom fees, community outreach fees, etc.)
- g. Other charges (nuisance, negligent or malicious incidents)
- h. Non-permitted Burns
- i. Responses or use of Fire Department personnel and/or resources to non-City properties or persons not covered under an approved mutual or automatic-aid agreement.

## VII. ENFORCEMENT

All enforcement, invoicing, and application of the Fee Schedule is the responsibility of the Fire Chief and/or his designee. Furthermore, the Fire Chief is authorized to conduct investigations and take other steps necessary and provided by law to enforce.

## VIII. INVOICING

The invoice must contain, at minimum, the date on which services were rendered by the Georgetown Fire Department, due date for payment of invoice, mailing address for payment, the type of incident under the Fee Schedule that serves as the basis for the invoice, an explanation of the services provided, and the cost of rendered services.

- a. Responsible Party
  - i. Special Events may be invoiced per occurrence, with the property owner or event organizer(s) responsible as indicated at the time of the event planning.
  - ii. Malicious Incidents may be invoiced per occurrence to the responsible party.
  - iii. Hazardous Material Incidents may be invoiced per occurrence for negligent events, with the property owner and/or responsible party.

- iv. Technical Rescue Incidents may be invoiced per occurrence for negligent events that result in rendered services.
  - v. Motor Vehicle Collisions where extrication is performed may be invoiced per occurrence. In the event multiple vehicles are involved, responsibility for costs may be prorated, as determined by the Fire Chief, among the person(s), operator(s), or vehicle owner(s).
  - vi. Non-Permitted Burns may be invoiced per occurrence to responsible party.
  - vii. Permitted Burns that get out-of-control due to negligence may be invoiced to the person that was issued the permit.
  - viii. Wildland Fires caused by negligence may be invoiced per occurrence to the individual responsible for starting the fire.
  - ix. Nuisance Incidents may be invoiced per occurrence, after three occurrences within a calendar year. The property owner shall be considered the responsible party.
  - x. Medical Calls may be invoiced per occurrence, with the individual being treated held responsible for the costs. Invoices shall be the sole discretion of Fire Chief.
  - xi. Out-of-City Responses may be invoiced to the property owner or person receiving assistance from Fire Department resources and/or personnel.
- b. Reimbursement rates shall be invoiced at the determined rate for each resource and/or employee. Additional time shall be prorated to the nearest ½-hour increments. The established reimbursement rates are published in the accompanying Georgetown Fire Department FY2014/15 Fee Schedule. Payment of the invoice shall be due within 30-days of the invoice date, and interest shall accrue at a ten percent (10%) Annual Percentage Rate (APR) beginning the thirty-first (31st) day.

#### IX. EFFECTIVE DATE

The Georgetown Fire Department Fee Reimbursement schedule is effective November 12, 2014 and shall remain in effect until repealed. The Fire Chief is authorized to modify and/or amend the schedule per the adopted Ordinance.

---

John Sullivan, Fire Chief
